At Alpha St we are very proud to be part of the Waikato. For us it's about flavour and bounty; from ocean to shore.

Our dish celebrates the beautiful Waikato region that encompasses two coast lines and many wonderful forests, rivers, towns and people. At this time of year when the Matariki constellation enters the skys we give thanks for the plentiful harvest, celebrate with those around us and plan for another year ahead. Smoke from the herbs rises to stars as a koha for the seven sisters to replenish for the upcoming seasons.
